**Farmingville, NY** - On July 23, Councilwoman Jane Bonner attended the Lake Panamoka Civic Association meeting at the Lake Panamoka Pavilion. Councilwoman Bonner answered questions ranging from recycling to water quality, vacant home legislation, and other important quality of life issues.

"I enjoy visiting with the residents of Lake Panamoka," said Councilwoman Bonner. "These meetings give me an opportunity to update the residents about what's going on in the Town and hear what they have to say. I look forward to returning sometime in the near future."
